Subject: COVID Emergency Sub-Committee/ 2-1-1

Wayman,

Heart of West Michigan United Way's 2-1-1 had requested time with the county's COVID Emergency Sub-Committee to present urgent issues that we see emerging as well as request funding to cover COVID- related expenses in 2-1-1 (primarily temporary staff) as we see these expenses to be on-going for at least several more months.

As we discussed this afternoon, I believe that 2-1-1 can present to the sub-committee in a written presentation so that the process can be expedited.

Please let me know if that is acceptable to the commissioners, and if so, when you would like to receive our information. Thank you and have a wonderful holiday weekend.
