** Federal Guidance Provides: States should transfer funds to local governments with populations of 500,000 or less, using as a benchmark the per capita allocation formula that governs payments to larger local governments (45% of the local government's per capita share of the statewide allocation). Updated as of May 28, 2020.

⁽¹⁾ Allocations are not a mandate to spend and are intended supplement not replace other funding sources

⁽²⁾ Restricted funding sources are to spent first where available.
